

WARNING NOTICE!!!

Important message to anyone involved in the commodities industry with respect to Buyers and Sellers conducting business transactions in the commodities industry.

From this point forward, if an ICPO, LOI, RWA, or BCL is issued and the document is not real, the Buyer/Seller will be able to inform the FBI, ICC, and INTERPOL. In addition, if an FCO is issued to the Buyer, a formal answer to Seller from Buyer is required.

If there's no response from the Buyer in a timely manner, the buying company will be reported to the FBI, ICC, and INTERPOL. If this action is repeated by buyer or seller, they will also be reported for abuse of the NCND, LOI, ICPO, and RWA or BCL - FOR THIS IS A INTERNATIONAL FEDERAL OFFENSE.

It is important to transmit this to all clients that work with providers that are members of the ICC, FBI, and other international organizations.

From this point forward, the international codes will be strictly enforced to exclude all intruders that repeatedly send out false information. Those who submit a false NCNDA/IMFPA, LOI, ICPO, RWA or BCL, or FCO, as well as FALSE PROOF OF PRODUCT (POP), WILL BE CHARGED WITH A CRIME.

Effective since November 15, 2008 during a meeting held between the Federal Reserve, European Central Bank, Interpol, Federal Bureau of Investigation and Central Intelligence Agency.

The reason for this measure is to protect the commodities industry which is a fundamental part of the world's economy.

I have read and understood the severity of the warning above and do realize the serious impact that pertains to any and all commodities transactions.

For the Sellers
